All Proceeds go to The Rubicon Trail Foundation

The Rubicon Trail Foundation is a federally recognized, non-profit organization dedicated to the future health of the Rubicon Trail. RTF acts as the support for Rubicon work projects and as liaison with local government organizations. This support can range from getting approval for projects from the appropriate agencies, to feeding the volunteers, to buying the supplies needed to maintain the trail. We also fight the efforts of others to close or restrict use of the Rubicon Trail System.

Our Officers and Directors represent a wide variety of Rubicon Trail users and supporters. These include trail users, Rubicon area land owners, county representatives, manufactures and Rubicon event organizers.
